TEAS

Gunpowder

Gunpowder to the Westerners, or more poetically "tea pearls" for the Chinese, this lively and astringent tea makes a fresh, thirst-quenching cup of tea.

Breakfast

A blend of Ceylon, Darjeeling and Assam teas.

Chamomile

A hardy plant grown widely in Eastern Europe and harvested between May and July. Its bright yellow infusion reveals sweet, fruity flavors with notes of pineapple.

Earl Grey

A selection of fine black teas enriched with white tips and petals, and flavoured with Calabrian bergamot.

Peppermint

Perennial herb, peppermint has been harvested before flowering. Known for its powerful scent, its refreshing infusion is appreciated by many.

Rooibos Citrus

Here the South African plant rooibos mingles with the acidulous flavour of citrus fruits. Both mild and lively, containing no theine, it is an ideal drink for children.
