Gunpowder

*Gunpowder to the Westerners, or more poetically "tea pearls" for the Chinese, this lively and astringent tea makes a fresh, thirst-quenching cup of tea.*

Breakfast

*A blend of Ceylon, Darjeeling and Assam teas.*

Chamomile

*A hardy plant grown widely in Eastern Europe and harvested between May and July. Its bright yellow infusion reveals sweet, fruity flavors with notes of pineapple.*

Earl Grey

*A selection of fine black teas enriched with white tips and petals, and flavoured with Calabrian bergamot.*

Peppermint

*Perennial herb, peppermint has been harvested before flowering. Known for its powerful scent, its refreshing infusion is appreciated by many.*

Rooibos Citrus

*Here the South African plant rooibos mingles with the acidulous flavour of citrus fruits. Both mild and lively, containing no theine, it is an ideal drink for children.*
